

Moose  Charities

ANNUAL REPORT

2011-2012

Dear Friends,

Aaron Palmer and Sidney Whorton, members of Mooseheart's Class of 2011, expressed their **thanks to the Moose fraternity** so eloquently during the 2011 International Moose Convention in Anaheim last July. Aaron, Valedictorian of the Class of 2011, told the men and women of the Moose, *"I came to Mooseheart a boy **uncertain** as to what tomorrow would bring, and now I leave here as a young man certain that **my tomorrow is bigger, better and brighter** because of what you **provided** for me."*

Sidney asked, *"What happens when your parents don't uphold their end of the parent/child relationship?"* She followed her question with, *"At Mooseheart **dreams really do come true**. I stand before you today as living proof that what you do in your Associations, Moose Legions, Lodges and Chapters helps **make the impossible possible**. . . It rights the wrongs of a **child in need** and with just the right amount of love, care and understanding, makes the dreams of a little girl from the state of Tennessee come true. God bless."*

Aaron Palmer

Sidney Whorton

The **kindness you have shown** through your donations proves you believe in our humanitarian mission of service to those in need of a safe, secure and nourishing environment. You are truly making a **difference in the lives of others**.

Winston Churchill said, *"You make a living by what you get. You make a life by **what you give**."* This annual report of Moose Charities was made possible because of you — and thousands like you — who truly **give of their substance**.

On behalf of our kids at Mooseheart and our senior members at Moosehaven, I give you **heartfelt thanks** for your outstanding generosity during the 2010-2011 fiscal year.

With warm regards,

Jan Fregulia

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Moose Charities, Inc.
Mooseheart, Illinois

We have audited the accompanying statement of financial position of Moose Charities, Inc. (the Organization) as of April 30, 2011, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's 2010 financial statements and, in our report dated August 23, 2010, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Moose Charities, Inc. as of April 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of general expenses on page 14 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Moose Charities, Inc. (the Organization) is affiliated with Moose International, Inc. through common control of board members. The accompanying financial statements reflect only Moose Charities, Inc. Consolidated financial statements for Moose International, Inc. and Related Organizations, which include Moose Charities, Inc. are also available. Transactions with related entities are disclosed in accompanying financial statements and in Notes 7 and 8.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The determination of annuities payable is based on estimates that are particularly susceptible to significant changes in the life expectancy of the contributors. Although management uses available information to estimate the annuity payable, it is reasonably possible that a material change could occur in the near term. However, the amount of the change that is reasonably possible cannot be estimated.

Comparative Total for Prior Year Summarized Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended April 30, 2010, from which the summarized information was derived.

Income Taxes

The Organization is a tax-exempt, not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code pursuant to an Internal Revenue Service determination letter dated March 31, 1995.

The Organization follows the authoritative guidance issued by the Financial Accounting Standards Board (FASB) that clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a recognition threshold of more-likely-than-not to be sustained upon examination. Measurement of the tax uncertainty occurs if the recognition threshold has not been met. This guidance also addresses derecognition, classification, interest and penalties, disclosure, and transition. The Organization conducts business solely in the U.S. and Canada, as a result, files information returns for U.S., Illinois, and various other states and jurisdictions. In the normal course of business, the Organization is subject to examination by taxing authorities. The Organization's information returns for years subsequent to fiscal 2006 are open, by statute, for review by authorities. However, at present, there are no ongoing income tax audits or unresolved disputes with the various tax authorities that the Organization currently files or has filed with.

NOTES TO FINANCIAL STATEMENTS

April 30, 2011

1. NATURE OF ACTIVITIES

Moose Charities, Inc. (the Organization) is affiliated with Moose International, Inc. through common control of board members. The accompanying financial statements reflect only Moose Charities, Inc. Consolidated financial statements for Moose International, Inc. and Related Organizations, which include Moose Charities, Inc. are also available. Transactions with related entities are disclosed in accompanying financial statements and in Notes 7 and 8.

Moose Charities, Inc. (the Organization) has been established to support, assist, and operate charitable activities not otherwise conducted by Mooseheart Child City & School, Inc., Moosehaven, Inc., or Moose International, Inc.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments with an initial maturity of three months or less when acquired.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value on the statement of financial position. The unrealized gain or loss on investments is reflected on the statement of activities.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Any restricted contributions whose restrictions are met in the same fiscal year are treated as unrestricted support.

Interest	\$ 88,635
Realized loss on investments	(1,356)
Unrealized gain on investments	360,380
TOTAL	\$ 447,659

4. FAIR VALUE MEASUREMENTS

The Organization follows the authoritative guidance issued by FASB which defines fair value, establishes a framework for measuring fair value by providing a hierarchy used to classify the source of the information measuring fair value, and expands disclosures about fair value measurements.

Assets and liabilities carried at fair value are classified and disclosed in one of the following categories:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

 NOTES TO FINANCIAL STATEMENTS (Continued)

4. FAIR VALUE MEASUREMENTS (Continued)

The fair value of mutual funds and government securities is generally determined based on quoted market prices in active markets. The fair value of investments in government agency securities and corporate bonds is estimated by reference to market values for similar securities or by discounting cash flows at an appropriate risk rate taking into consideration the varying degrees of risk specific to each financial asset.

Annuities payable are recorded at the estimated present value of future payments based upon a discount rate of 6% and the life expectancies of the annuitants. On an annual basis, an adjustment is made to the liability to record a gain or loss based on a computation of the donor's revised life expectancy.

The Organization's liability under annuities payable is measured at fair value on a recurring basis using Level 3 inputs. The change in fair value for the year ended April 30, 2011 was as follows:

BALANCE, BEGINNING OF PERIOD	\$ 133,794
Change in actuarial assumptions	<u>(5,958)</u>
BALANCE, END OF PERIOD	<u>\$ 127,836</u>

5. ANNUITIES PAYABLE

Annuities payable consist of charitable gift annuities payable monthly, quarterly, or annually for the life of the annuitant. Upon termination of the agreement, the values are transferred to the appropriate net asset classification, in accordance with the wishes of the donor.

Total amounts paid under such agreements totaled \$22,575 in 2011. The Organization did not receive any amounts in 2011. Contributions on the statement of activities include revenue recognized of \$5,958 which represents the change in value of annuities payable.

Assets recognized under such agreements are stated at approximate fair value of \$328,501 and are included in investments on the statement of financial position.
